In re: Fuel and purchased power cost recovery  
clause with generating performance incentive  
factor.

DOCKET NO. 150001-EI  
ORDER NO. PSC-15-0123-PCO-EI  
ISSUED: March 10, 2015

ORDER GRANTING MOTION FOR EXTENSION

On March 3, 2015, Florida Public Utilities Company (FPUC) filed a request for extension of time until March 5, 2015, to file its true-up testimony reflecting its final true-up amount for the period ended December 2014. Order No. PSC-15-0096-PCO-EI, issued on February 10, 2015, set the filing date for this testimony as March 3, 2015. FPUC contends that this two day extension will not unduly prejudice staff or any party to the docket and notes that neither staff nor any party has an objection to granting the extension.

Since neither Commission staff nor any party to the docket have objected to this request for extension, I agree that granting this request will not unduly prejudice staff or any party to this proceeding and find that this request is reasonable.

Therefore, it is

ORDERED by Chairman Art Graham, as Prehearing Officer, that Florida Public Utilities Company's request for an extension of time until March 5, 2015, to file its true-up testimony reflecting the company's final true-up amount for the period ended December 2014, is hereby granted.

By ORDER of Chairman Art Graham, as Prehearing Officer, this 10th day of March, 2015.
