Clause Date: March 10, 2015

# FLORIDA POWER AND LIGHT COMPANY'S THIRD REQUEST FOR EXTENSION OF CONFIDENTIAL CLASSIFICATION OF INFORMATION PROVIDED PURSUANT TO AUDIT NO. 08-037-4-2

Pursuant to Section 366.093, Florida Statutes ("Section 366.093"), and Rule 25-22.006, Florida Administrative Code, Florida Power & Light Company ("FPL") hereby submits its Third Request for Extension of Confidential Classification of Information Provided Pursuant to Audit No. 08-037-4-2 ("Confidential Information"). In support of this request, FPL states as follows:

- 1. On August 12, 2008 FPL filed a Request for Confidential Classification of the Confidential Information, which included Exhibits A, B, C and D ("August 12, 2008 Request"). By Order No. PSC-09-0193-CFO-EI, dated March 27, 2009 ("Order 0193"), the Commission granted FPL's August 12, 2008 Request. FPL adopts and incorporates by reference the August 12, 2008 Request and Order 0193.
- 2. By Order No. PSC-11-0319-CFO-EG, dated July 28, 2011, the Commission granted FPL's First Request for Extension of Confidential Classification.
- 3. On January 28, 2013 FPL filed a Second Request for Extension of Confidential Classification of the Confidential Information, which included Second Revised Exhibits A, B, C and D ("January 28, 2013 Request"). By Order No. PSC-13-0478-CFO-EG, dated October 15, 2013 ("Order 0478"), the Commission granted FPL's January 28, 2013 Request. FPL adopts and incorporates by reference the January 28, 2013 Request and Order 0478.
- 4. The period of confidential treatment granted by Order 0478 will soon expire. The Confidential Information that was the subject of FPL's January 28, 2013 Request and Order 0478 warrants continued treatment as proprietary and confidential business information within the meaning

1

of Section 366.093(3). Accordingly, FPL hereby submits its Fourth Request for Extension of Confidential Classification.

- 5. All of the information designated in Second Revised Exhibits A, B and C to the January 28, 2013 Request remains confidential. Accordingly, those exhibits will not be reproduced or reattached here.
- 6. Included herewith and made a part hereof is Third Revised Exhibit D. Third Revised Exhibit D contains the affidavits of Antonio Maceo, Damaris Rodriguez and Anita Sharma in support of this request.
- 7. The Confidential Information is intended to be and has been treated by FPL as private, its confidentiality has been maintained, and its disclosure would cause harm to FPL and its customers. Pursuant to Section 366.093, such materials are entitled to confidential treatment and are exempt from the disclosure provisions of the public records law. Thus, once the Commission determines that the information in question is proprietary confidential business information, the Commission is not required to engage in any further analysis or review such as weighing the harm of disclosure against the public interest in access to the information.
- 8. As the affidavits included in Third Revised Exhibit D indicate, the Confidential Information includes proprietary information of FPL concerning internal auditing controls, reports or notes of internal auditors or information relating to internal auditing controls. This information is protected by Section 366.093(3)(b), Fla. Stat.
- 9. Additionally, some information also relates to the competitive interest of FPL or third parties, the disclosure of which would impair the competitive business of the provider of the information. Such information is protected by Section 366.093(3)(e).
- 10. Certain documents contain information that relates to customer-specific account information, which if disclosed would impair FPL's competitive interests. It is FPL's corporate policy

not to disclose customer-specific information. This policy includes, but is not limited to: customer

names, addresses, telephone numbers, and account numbers, rates, billing determinants (kW and kWh

usage), conservation savings in kW, kWh and bills. FPL treats such information as confidential and

does not disclose it, except as required by law, to entities or persons other than the customer absent the

customer's consent. This information is protected pursuant to Section 366.093(3)(e).

11. Upon a finding by the Commission that the Confidential Information remains

proprietary and confidential business information, the information should not be declassified for at

least an additional eighteen (18) month period and should be returned to FPL as soon as it is no longer

necessary for the Commission to conduct its business. See § 366.093(4), Fla. Stat. (2014).

WHEREFORE, for the above and foregoing reasons, as more fully set forth in the supporting

materials and affidavits included herewith, Florida Power & Light Company respectfully requests that

its Second Request for Extension of Confidential Classification be granted.

Respectfully submitted,
