Subject: Docket No. 150139

Steve and Martha,

Currently, this docket is set to go before the Commission on June 18. Unfortunately, due to circumstances presenting a series of conflicts, neither Mike Cassel, Cheryl Martin, nor myself are able to travel to Tallahassee to participate in the Agenda conference on that date. If it is at all possible, Florida Public Utilities would respectfully request that this item be deferred to the July 21 Agenda Conference. FPUC notes that pertinent personnel are available to participate that day, and the Company also has several other items currently scheduled for consideration on that date. In furtherance of this request, the Company waives the file and suspend date to the extent necessary.

Thank you in advance for your consideration of this request. Please don't hesitate to let me know if you need any further information in this regard.

Sincerely,

Beth
