Subject: RE: Enforcement Referral for Sunrise and Alturas

Matthew,

Based upon your email and our conversations this morning I will be sending the system a Warning Notice for failure to maintain chlorine throughout the systems. As you told me you've been out to both systems (Alturas – 6530057 and Sunrise - 6531739) on the dates specified below and found inadequate chlorine. Some of the visits were precipitated by customer complaints.

Thank you

Owen
