DATE 8/10/2015 Proposal # 6225

Job:

Tank Saddle Replacement

Utility Technicians, Inc. to supply all materials, equipment and labor to replace the existing deteriorated concrete tank saddles with new steel saddles mounted to precast concrete foundation pads.

UTI to furnish, install and remove a complete working bypass tank to keep the system in service while work is being performed.
The existing hydro tank will be disconnected, lifted away from the existing saddles and placed to the side.
The existing saddles will be demolished and the new ones will be installed.
The existing hydro tank will be reset into the new saddles and repiped.

Notes:

- 1) All permitting and DEP notification by others
- 2) All bacteriological sampling by others
- 3) Scheduling of the one day shutdown to but in bypass fittings by others
- 4) New steel tank saddles to be shop primer red

TOTAL: \$22,089.00

All material and workmanship is guaranteed for for one year or as stated. All work to be completed in a professional manner according to standard practices. Any alteration or deviation from above specifications involving extra costs will be executed only upon written orders, and will become an additional charge over and above estimate.
