Dear Ms. Watts:

Re: Docket No. 140158-WS

I along with several others came to the hearing held on 2-19-15 in Sebring, FL.

I talked to your District Office Manager, Mr. Terry Cerullo, in Ft. Myers, FL, on 3-15-15, and he said he was sending a team of examiners to the H.C. Waterworks Company at Lake Josephine on April 1, 2015.

H.C. Waterworks got the rate increase they wanted, and now we are paying more for water that has gotten worse and still stinks.

We can't drink the water and we even have to be afraid to bath in it. I have diabetic retinopathy, and have to have injections in my eyes and I am afraid to wash my eyes with the water, because of possible germs in the water.

Our park manager said he tested the water and could not find any chlorine in it.

Why can't someone in your office ensure that we have clean and safe water?

Sincerely,

A handwritten signature in black ink that reads "Larry Truckermiller".
