Re: Docket No. 150199-WU - Application for staff-assisted rate case in Lake County by Raintree Waterworks, Inc.

Dear Mr. Rendell:

Commission staff has reviewed and accepted Raintree Waterworks, Inc.'s (Raintree) application for a staff-assisted rate case as of October 1, 2015. According to your 2014 Annual Report, Raintree has the existing capacity to serve 113 equivalent residential connections. Therefore, the filing fee remitted by Raintree of \$500 is correct.

Section 367.091(2), Florida Statutes, requires the Utility to "mail a copy of the application to the chief executive officer of the governing body of each county within the service area included in the rate request." Therefore, please submit an affidavit stating this requirement has been fulfilled. Please send the affidavit to the Office of the Commission Clerk, 2540 Shumard Oak Boulevard, Tallahassee, FL 32399-0850.

Members of Commission staff will contact you to schedule a convenient time for examination of Raintree's books, records, and physical plant. If you have any questions regarding the proceeding, please contact Mrs. Melinda Watts by phone at (8750) 413-6952 or email mwatts@psc.state.fl.us.

Sincerely,

A handwritten signature in blue ink that reads "Paul Vickrey for".
