**SEACOAST GAS TRANSMISSION, L.L.C.'S
REQUEST FOR CONFIDENTIAL TREATMENT**

Pursuant to Section 366.093, *Florida Statutes*, SeaCoast Gas Transmission, L.L.C. ("SeaCoast" or the "Company") submits the following Request for Confidential Treatment of portions of Exhibit A to the petition for approval of the Firm Service Agreement between SeaCoast and Peoples Gas System ("Peoples"), which petition is submitted for filing concurrently herewith:

1. Attached hereto as Exhibit A is a detailed justification for the requested confidential treatment of the highlighted portions of Exhibits A and B to the Firm Service Agreement (Exhibit A to the petition).
2. The material for which confidential classification is sought is intended to be and is treated as private by both SeaCoast and Peoples, and has not been disclosed.
3. SeaCoast requests that the information for which it seeks confidential classification not be declassified until 18 months after the date of the Commission's order granting this request (see Section 366.093(4), *Florida Statutes*). The time period requested is necessary to protect the competitive information (*i.e.*, the level of the rates at which service will be provided to Peoples under the Firm Service Agreement, the quantities for which such rates will apply, and other information) from disclosure to SeaCoast's and Peoples' competitors and to

other potential SeaCoast customers in order to allow SeaCoast, should it become necessary, to negotiate future gas service arrangements with other customers on favorable terms based on

the specific factual circumstances of such customers. The period of time requested will ultimately protect SeaCoast and its customers by any such future arrangements being entered into based only on the facts and circumstances then applicable.

WHEREFORE, SeaCoast submits the foregoing as its request for confidential treatment of the information identified in Exhibit A to this request.

Respectfully submitted,

EXHIBITS A AND B TO FIRM SERVICE AGREEMENT (EXHIBIT A TO THE PETITION)

The only information in the Firm Service Agreement (Exhibit A to the petition) for which SeaCoast seeks specified confidential treatment, and non-disclosure pursuant to Chapter 119, *Florida Statutes*, is highlighted on Exhibits A and B thereto.

The information is the rates at which SeaCoast will provide transportation service to Peoples under the Firm Service Agreement, the quantities for which the rates apply, and other information from which the quantities could be arithmetically determined. All is information directly relating to SeaCoast's competitive interests which, if made public, "would impair the competitive business" of SeaCoast in negotiating rates in the future for similar arrangements with other customers or potential customers. Section 366.093(3)(d), *Florida Statutes*. Disclosure of the specific levels of the rates at which SeaCoast will provide transportation service to Peoples would give other customers or potential customers a benchmark or target toward which to negotiate in dealing with SeaCoast, notwithstanding that their particular circumstances may not be the same as, or even similar to, those of Peoples.
