TAMPA ELECTRIC COMPANY DOCKET NO: 150213-EI STAFF'S 2nd DATA REQUEST REQUEST NO. 1

PAGE: 1 OF 1 FILED: NOVEMBER 3, 2015

- 1. In addition to the annual expenses shown in the response to Staff's First Data Request No. 1, are there any one-time up-front costs associated with the Advanced Meter Program Agreement? If yes, please list and explain the one-time up-front costs.
- **A.** There are no one-time upfront costs associated with the AMP agreement, however there are some one time upfront costs associated the AMP program. These capital costs include:

Nighthawk meters and installation - \$561,000

Nighthawk web portal - \$ 5,000

Tampa Electric will not seek to recover these costs through a separate rate or charge collected from the customers who elect to take service under the AMP pilot program. The first line item covers the purchase of the meters and meter can installation on the customers' residences. The second line item covers the set up cost for the customer web portal.

TAMPA ELECTRIC COMPANY **DOCKET NO: 150213-EI** STAFF'S 2nd DATA REQUEST **REQUEST NO. 2**

PAGE: 1 OF 1

FILED: NOVEMBER 3, 2015

2. Paragraph 5 of the petition and the response to Staff's First Data Request No. 16 discuss Tampa Electric's partial deployment of GE meters to customers without solar photovoltaic (PV) generators. Please explain whether Tampa Electric is seeking Commission approval of the partial deployment of GE meters to customers without PV generators as part of this petition for approval of the Advanced Meter Program Agreement.

Tampa Electric is not seeking Commission approval of the partial deployment A. of GE meters to customers without PV generators as part of this petition for approval of the Advanced Meter Program Agreement. Approval by the Commission is not required to change out the existing AMR billing meters for AMI billing meters.
