Re: Docket No. 150234-EU – Joint Petition for Approval of Amendment to Territorial Agreement

Dear Mr. McDonnell and Mr. Goorland:

By this letter, Commission staff requests the following information from the Peace River Electric Cooperative, Inc. (PRECO) and Florida Power and Light Company.

1. The proposed amendment would realign the territorial agreement so that Phase 1 of a new development would lie entirely within PRECO territory. Do the parties anticipate future amendments as the development is built out beyond Phase 1?
2. Do the parties believe the proposed amendment is in the public interest?

Please file all responses electronically no later than Wednesday, November 25, 2015 from the Commission's website at www.floridapsc.com, by selecting the Clerk's Office tab and Electronic Filing Web Form. Please feel free to call me at (850) 413-6540 if you have any questions.

Thank you,

/s/ Sue Ollila
