RE: Docket No. 140135-WS - Application for increase in water/wastewater rates in Pasco County by Labrador Utilities, Inc.

ADMINISTRATIVE DOCKET CLOSURE

Pursuant to Order PSC-15-0208-PAA-WS, issued May 26, 2015, this docket shall be closed administratively upon staff's verification and approval that the revised tariff sheets and customer notice have been filed by Labrador Utilities, Inc. (Labrador or Utility) and, verification and approval that the Utility has provided proof that the adjustments for all the NARUC USOA primary accounts have been made. The Order also required that the corporate undertaking be released.

It was determined that no refund is necessary for the interim rates, therefore, according to the Order, the corporate undertaking should be released. On June 22, 2015, Labrador filed an Affidavit of Mailing evidencing that the Final Rate Notice to customers was sent to all customers on June 19, 2015. Staff previously approved the customer notice. The revised tariff sheets were filed by the Utility and approved by staff for a June 24, 2015, effective date. On November 13, 2015, Labrador provided copies of the bookkeeping entries reflecting the Commission Order adjustments made on the books and records of the Utility. Staff has determined that the Utility has demonstrated compliance with this Order. Accordingly, pursuant to Order PSC-15-0208-PAA-WS, this docket should be closed administratively.
