Hi Kelley,

I'm going through some old party information and came across one for Verizon Access Transmission Services/Rebecca A. Edmonston. It looks like MCD was updated to reflect Shannon L. Brown as the contact person for company code TA005. In Docket 000121C, Verizon Access Transmission Services shows the following contact information (note that there is no company code shown with this contact information; the last time contact information was updated for this was in February 2012):

Please advise if the current information (Edmonston) is accurate for this docket, or if it should be updated to match the information in company code TA005.

I also see that Adam Teitzman is still showing as an attorney on this docket. If his name needs to be removed, please forward notification of same to CLK/Tiffany Brown.

Thank you for your help!
