Re: Docket No. 150102-SU - Application for an increase in wastewater rates in Charlotte County by Utilities, Inc. of Sandalhaven

Dear Mrs. Rogers:

Thank you for your letter in which you expressed concerns regarding Utilities, Inc. of Sandalhaven's (Sandalhaven) application for a rate increase. To ensure that the Commission staff and the Commissioners have knowledge of your concerns, your letter has been placed on the correspondence side of the docket file for all to review.

We understand your concerns regarding Sandalhaven's requested rate increase. With respect to the development of rates, the Commission is required to set rates that are just, reasonable, compensatory, and not unfairly discriminatory as dictated by Chapter 367, Florida Statutes. During a rate case, the Commission's accountants, engineers, and economists examine the Utility's financial and engineering information to make a recommendation to the Commissioners. Staff filed its recommendation on November 18, 2015, in Docket No. 150102-SU and is available on the Commission's website at www.floridapsc.com. The Commissioners are scheduled to vote on staff's recommendation on December 3, 2015.
