STAFF'S FIRST DATA REQUEST

Re: Docket No. 150230-WU - Application for amendment of Certificate of Authorization No. 247-W, to extend water service area to include land in Seminole County, by Sanlando Utilities Corporation.

Dear Mr. Friedman:

By this letter, the Commission staff requests that Sanlando Utilities Corporation (Sanlando or utility) provide responses to the following data requests.

- 1) Please explain in detail the plans of how service will be provided.
- 2) The application stated there would be a small incremental flow increase on the system. What is the estimated annual average daily flow for the new service area?
- 3) In response to staff's additional questions, Sanlando directed staff to two different dockets involving extension of the service area to provide service to Myrtle Lake Hill homeowners. Please direct staff to the document numbers that reference the eight Myrtle Lake Hill homeowners who were added to the service territory due to "failing water quality" of their wells in Docket 040384-WS.

Please file all responses electronically no later than January 31, 2015 from the Commission's website at www.floridapsc.com, by selecting the Clerk's Office tab and Electronic Filing Web Form. Please feel free to call me at (850) 413-6230, of Penny Buys at (850) 413-6518, if you have any questions.

Sincerely,
