Great, thank you for that information. Per your request, we have updated the docket title and the utilities to reflect Pure Telephone Corp with no period at the end of the name and no "d/b/a Florida." Should you have any further questions or updates, just let me know.

Thank you!

Good question.....it has been inconsistent. The Articles of Incorporation with the Secretary of State does not include a period.

Therefore, going forward we will not include a period after "Corp"

Thank You.

Good morning, Curtis,

For clarification, the name shown in the application does not include a period at the end of "Corp." Your e-mail below does. Should the company name be reflected in MCD/CMS as Pure Telephone "Corp" or "Corp." - with or without the period?

Thank you for your help.

Dorothy,

As we discussed, based on Pure Telephone Corp.'s response to a staff data request, please delete the dba "Florida." Per the company's response, this was a typing error and Pure Telephone Corp. does not intend to use a dba. In addition, a "Florida" Fictitious Name is not on file with the Secretary of State.

Therefore, please make the following changes:

Docket Title

Change From - Application for certificate to provide local telecommunications service by Pure Telephone Corp. d/b/a Florida.

Change To - Application for certificate to provide local telecommunications service by Pure Telephone Corp.

Utility Tab

Change From - Pure Telephone Corp. d/b/a Florida

Change To - Pure Telephone Corp.

Please let me know if you have any questions.

Thank You.
