Good afternoon, Phyllis:

Thank you for contacting us. I have checked the docket and note that OPC/Roth's contact information is included in the docket. Interested persons receive notices for hearing, prehearing, proposed agency action orders, final orders, and notices of Commission conferences via e-mail. All of those types of documents are issued by the Clerk's Office. In this docket, however, there have been no issued documents. I hope you find this information helpful. If we can be of any further assistance, please give our office a call.

Please note: Florida has a very broad public records law. Most written communications to or from state officials regarding state business are public records available to the public and media upon request. Your e-mail communications may therefore be subject to public disclosure.
