**Subject:** Docket No. 160029-GU -- Peoples Gas/UPS Special Contract

Hi Kyesha –

I left you a voice message Friday afternoon on this. You had asked for a “hard date” on the two confidentiality requests you referenced during our conversation Thursday of last week. We would like to use January 31, 2019 – approximately two years from the date on which the extension Peoples will build to serve UPS and other customers will be placed in service. While we would ask for a longer time period for which the confidential information would be protected from public disclosure, both construction costs and the various other circumstances pursuant to which the rate for UPS was developed will likely have changed by that date.

I will be traveling to Tallahassee for the Tuesday agenda tomorrow (Monday). If there is a need to talk further on this, please call me on my mobile number (highlighted below).

Many thanks,
