**Subject:** Key West Resort Utilities increased cost requests

I am the owner of a property in Harbor Shores, Stock Island, and my sewer charges have just increased by approximately 65%, which seems incredible. KWRU requested a large deposit (\$168.32) claiming that the PSC required them to do so-- is this true?

My prompt payments to our HOA include monthly fees and sewer charges. I have been paying this on time for six years now.

Our HOA has been working with your staff on this matter and I do not understand why KWRU is allowed to make these demands while petitions are yet to be heard.

Please check into this situation as I cannot believe you condone these actions.

Sincerely,  
Beverly Bittner
