NOTICE OF EMERGENCY MEETING  
DOCKET NO. 150171-EI  
PAGE 2

The purpose of this emergency meeting is to afford the Commission an opportunity to review and assure that the structuring, marketing and pricing of the nuclear asset-recovery bonds authorized by Order No. PSC-15-0537-FOF-EI (Financing Order) issued in this docket achieved: (1) the statutory cost objectives; (2) the lowest overall cost standard; and (3) the greatest possible customer protections.

This meeting is being held on an emergency basis due to time constraints contained in the Financing Order which specify that the Commission has until 5:00 p.m. Eastern Time on the third business day following pricing of the nuclear asset-recovery bonds to stop the transaction upon finding that structuring, marketing and pricing of the bonds did not achieve the above-identified objectives. Allowing the transaction to move forward without Commission review poses an immediate danger to the public health, safety, or welfare. The Commission finds it necessary and fair under the circumstances to conduct this meeting on an emergency basis in order to protect the public interest.

By DIRECTION of the Florida Public Service Commission this 13th day of June, 2016.
