To Whom It May Concern,

My name is Sarah Warner. I live at 142 Via Havarre, Merritt Island, FL 32953. I have a special needs daughter whose treatment isn't always covered by insurance. As a result, even though my husband and I both professionals who work full time to make ends meet, we are living paycheck to paycheck. We cannot afford to arbitrarily pay shareholders more money to increase their profits.

We cannot switch providers if FPL's unethical plan fleeces us to line the pockets of shareholders. It is your sworn duty to protect and serve your constituents. Please do so in this case.

Sincerely,
Sarah Warner
