STAFF'S FOURTH DATA REQUEST
via email

RE: Docket No. 160070-EQ – Petition for approval of renewable energy tariff and standard offer contract, by Florida Power & Light Company.

Dear Kenneth Hoffman,

By this letter, the Commission staff requests that Florida Power & Light Company (FPL or Company) provide responses to the following data requests.

Please refer to the Company's response to Staff's Third Data Request, No. 6, for the following.

1. Please describe the methodology that FPL has used to determine the appropriate level of completion/performance security to protect FPL and its customers.
 - a. Please provide factors included in the consideration, such as probability of performance failure, the availability of replacement power in event of performance failure, and the estimated replacement power costs.
 - b. Please provide any document(s) that demonstrates the reasonableness of the proposed level of adjustment.
2. Please explain whether the proposed terms of completion/performance security would cause undue financial burden to sellers with good completion/performance records.
3. Please provide the escalation factors and other financial assumptions used in the Standard Offer Contracts for the period 1999 through 2016.
4. Please provide the annual values of the Consumer Price Indexes and any other relevant measures for the period 1999 through 2016.
