Subject: Florida Power and Light rate increase proposal

Dear Sir/Madam:

The proposal for a rate increase by FPL solely for the benefit of their shareholders is unfair and will not benefit the company's customers in any way.

I am an FPL customer in a rental accommodation and my costs are strictly budgeted to fit my salary WHICH HAS NOT INCREASED IN 4 YEARS!! Why should I, and others like me, subsidize FPL's shareholders for their un-earned income!? FPL's customers, and certainly renters, have no choice but to be served by them - we are hostage to the company.

If this proposal is agreed to, it would cause undue hardship to me and many many others like me. I urge the Florida Public Service Commission to turn down this application.

Thank you.

Yours truly
