Good morning Ms. Harold,

Thank you for contacting the Florida Public Service Commission. Your comments will be placed in consumer correspondence for Docket No. 160021-EI.

For further information on FPL's request, please review the PSC's Special Report:

As an eighty year old homeowner, living on Social Security, I simply cannot have my lights on in the house, certainly not outside. Neither can I turn on clothes washer, dryer or dishwasher for very many minutes and not as often as is necessary.

Please reconsider some of the current rates, and know that changes are definitely in order, or consumers such as myself will be making their own changes which will undermine what you are doing.
