RE: AMENDED RECOMMENDATION
CONFIDENTIALITY OF CERTAIN INFORMATION
DOCKET NO: 160021-EI DOCUMENT NO: 06492-16
DESCRIPTION: FPL (Moncada) - (CONFIDENTIAL) Certain information
provided in late-filed Exh 4 and Exh 6 to deposition of Robert Barrett. [x-ref DN
06790-16]
SOURCE: Florida Power & Light Company

Pursuant to Section 366.093, (F.S.), and Rule 25-22.006, Florida Administrative Code, Florida Power & Light Company (FPL) requests confidential classification of certain information filed in late-filed Exhibit 4 and Exhibit 6 to the deposition of Robert Barrett.

The Company is claiming confidentiality of its late-filed Exhibit 4 and Exhibit 6 to the deposition of Robert Barrett under Section 366.093(3)(e), F.S. Per the Statute, Section 366.093(3)(e) F.S. includes "[I]nformation relating to competitive interests, the disclosure of which would impair the competitive business of the provider of the information." Staff has reviewed FPL's confidentiality request. The information that is the subject of this request meets the criteria for confidentiality contained in Sections 366.093(3)(e) Florida Statutes.

Therefore, staff recommends that FPL's request for confidentiality of certain information included in Document No. 06492-16 be approved (all information for which FPL requested confidential classification). This amends a scrivener's error in staff's memorandum filed earlier today (Document No. 06864-16) which indicated that some information for which confidentiality is requested should be approved and other information should be denied. Staff recommends confidentiality be approved for late-filed Exhibit 4 and Exhibit 6 as requested.
