Subject: FPL bills are too high

To Mrs. Brown,

Florida Power & Light on Friday asked the Public Service Commission to allow it to raise rates on 4.8 million Florida customers by 23.7 percent by 2019, a \$1.3 billion increase that is also designed to reward its shareholders with substantially higher profits.

Our bill are to high now and they are asking to raise it, if Floridians are struggling so bad why would we raise our bills.

Please do not approve this.
