Dear [Recipient Name]:

RE: 07832-16

I am a consultant for Mix Networks. On August 26, 2016 I provided the attached letter from Mix Networks notifying the Florida PSC of Mix Networks' intent to access local numbering resources in Florida. This letter was meant to meet the 30-day notice to a state required in the FCC order for VoIP providers. Unfortunately, although your office accepted the letter, I was not aware that this letter would not meet the specific requirements of the ATIS INC Committee and the FCC. On September 21, 2016 Mix Networks sent the letter that meets the requirements. I have attached the letter.

The issue now is that the Pooling Administration will not allow the 30-day count to have started August 26, 2016 without your office's approval. To meet this requirement, I need to obtain verification including the following information.

1. The PSC has received both letters
2. The PSC understands that the second letter was additional information only
3. The PSC accepts the August 26, 2016 letter as 30-day notice.

The Pooling Administration will accept an e-mail from you to me to satisfy this. I would appreciate if you could provide me an e-mail addressing the three bullets above so Mix Networks can request numbers as soon as possible. My e-mail address is aelea@alcon.com. If needed for verification, feel free to call Louie Homes at 863-583-0263.

I appreciate your help and apologize for the confusion.

Sincerely,

Re: Mix Network access to local numbers

Dear Clerk of the Commission,

Mix Networks has been provided authorization by the Federal Communications Commission (FCC) to order local numbering resources as an Interconnect VoIP Provider. According to the federal procedures Mix Networks must provide 30-day notice to the state before requesting numbers. On page two of the attached FCC Public Notice you will see the specific information. I have also attached a copy of my application approval and my Florida Articles of Incorporation.

It is Mix Network's intent to order local Florida numbers within the next 60-days. If you have any questions or need any further information, please contact our consultant, Aelea Christofferson at Aelea@alcccon.com or 541-771-8814 or Louie Holmes, President & CEO at Mix Networks Inc. via email at lmh@mixnetworks.com or 863-583-0263.

Thank you for your cooperation.

Sincerely,
