MISCELLANEOUS

MEMBER DEPOSITS:

1. Members requesting residential service may be charged a deposit, based on credit history. The deposit amount is \$125.00 to \$200.00 or two (2) times the twelve (12) month average.
2. Members requesting a meter set for general service may be charged a deposit equal to two (2) months anticipated average usage, but not less than \$125.00.
3. In each case of a cash deposit accepted, the Cooperative shall issue to the member a membership application showing the deposit and date paid.
4. The Cooperative shall refund the deposit when service is disconnected after the final bill and all charges for services rendered have been paid. With a positive account credit history, a deposit may be refunded prior to disconnection of service.

BILLING PERIOD:

Bills for regular service will be rendered monthly. **Accounts participating in the PowerPay! program will be calculated and rendered via email and/or text daily. The PowerPay! service will be billed monthly.**

DELINQUENT ACCOUNTS:

1. Any account not paid within 22 days from date of bill will be considered delinquent. A five percent (5%) late payment penalty will be assessed on unpaid balances.
2. Any account disconnected for non-payment will be required to pay the Cooperative for all electrical service rendered up to and including the kilowatt hour reading on the meter when disconnected before electric service will be restored, plus all service charges for disconnecting and reconnecting.
3. In the event any member has established a record of delinquent payments, they will be required to provide additional security deposit equal to two (2) times the twelve (12) month average monthly energy billing. A "record of delinquent payments" is defined as having three (3) late payments on the collection list within the past twelve (12) months.
