Docket No. 160213-EI
Date: October 20, 2016

In connection with this application, FPL confirms that the capital raised pursuant to this application will be used in connection with the activities of FPL and FPL's regulated subsidiaries and not the unregulated activities of FPL or its unregulated subsidiaries or affiliates.

Staff has reviewed the Company's projected capital expenditures. The amount requested by the Company exceeds its expected capital expenditures. The additional amount requested exceeding the projected capital expenditures allows for financial flexibility with regards to unexpected events such as hurricanes, financial market disruptions and other unforeseen circumstances. Staff believes the requested amounts are appropriate. Staff recommends FPL's petition to issue securities be approved.

For monitoring purposes, this docket should remain open until April 26, 2018, to allow the Company time to file the required Consummation Report.
