Subject: Oak Springs transfer, Docket No. 160075-WU

Marty,

Oak Springs' response to staff's July 20, 2016 deficiency letter was due on August 23, 2016. When we spoke about this in September, you said you would have Oak Springs provide the information necessary to respond. To date, the response has not been filed with the Commission. Please provide Oak Springs' response no later than November 9, or request an extension with justification.

If you have any questions, just give me a call or send an email.
