## P R O C E E D I N G S

1  
2           **CHAIRMAN BROWN:** We're moving on to Item 2.  
3 Hi.

4           **MS. HARPER:** Good morning, Commissioners. I'm  
5 Adria Harper for Commission staff.

6           Item 2, staff is recommending the Commission  
7 propose the amendment of rules pertaining to gas and  
8 electric safety. These rule amendments would update the  
9 rules to reflect the most current edition of the Code of  
10 Federal Regulations as well as streamline and clarify  
11 our rules. Staff is available for any questions.

12           **CHAIRMAN BROWN:** Thank you. Can you summarize  
13 the rules for us, the changes?

14           **MS. HARPER:** Some of the changes were made to  
15 clearly identify markings on certain piping and so  
16 forth. Some of them were just date changes to bring  
17 them up to the standards and the federal codes. So  
18 there wasn't a whole lot of substantive changes other  
19 than markings and dates.

20           **CHAIRMAN BROWN:** Thank you, Ms. Harper.  
21 Commissioners, any questions? If not, can I  
22 get a motion?

23           **COMMISSIONER BRISÉ:** So moved.

24           **COMMISSIONER GRAHAM:** Second.

25           **CHAIRMAN BROWN:** All those in favor, say aye.
