**AMENDMENT TO THE AGREEMENT  
BETWEEN  
TRACI.NET, INC.  
AND  
BELLSOUTH TELECOMMUNICATIONS, LLC D/B/A AT&T FLORIDA**

This Amendment (the "Amendment") amends the CMRS Interconnection Agreement under Sections 251 and 252 of the Telecommunications Act of 1996 for Commercial Mobile Radio Service (the Agreement), by and between one or more of the AT&T Inc. owned Incumbent Local Exchange Carriers ("ILECs"), hereinafter referred to as BellSouth Telecommunications, LLC d/b/a AT&T ALABAMA, AT&T FLORIDA, AT&T GEORGIA, AT&T KENTUCKY, AT&T LOUISIANA, AT&T MISSISSIPPI, AT&T NORTH CAROLINA, AT&T SOUTH CAROLINA and AT&T TENNESSEE, Illinois Bell Telephone Company d/b/a AT&T ILLINOIS, Indiana Bell Telephone Company Incorporated d/b/a AT&T INDIANA, Michigan Bell Telephone Company d/b/a AT&T MICHIGAN, Nevada Bell Telephone Company d/b/a AT&T NEVADA and AT&T Wholesale, The Ohio Bell Telephone Company d/b/a AT&T OHIO, Pacific Bell Telephone Company d/b/a AT&T CALIFORNIA, Southwestern Bell Telephone Company d/b/a AT&T ARKANSAS, AT&T KANSAS, AT&T MISSOURI, AT&T OKLAHOMA and AT&T TEXAS, and Wisconsin Bell, Inc. d/b/a AT&T WISCONSIN, (only to the extent that the agent for each such AT&T Inc.-owned ILEC executes this Amendment for such AT&T Inc. owned ILEC and only to the extent that such AT&T Inc. owned ILEC provides Telephone Exchange Services as an ILEC in each of the State(s) listed below) (hereinafter referred to as "AT&T") and Traci.net, Inc. ("CMRS Provider" or Traci.net, Inc.), shall apply to the States of Florida. AT&T and CMRS Provider are hereinafter referred to collectively as the "Parties" and individually as a "Party."

**WHEREAS**, CMRS Provider holds authority from the Federal Communications Commission to provide Commercial Mobile Radio Services ("CMRS") employing licensed frequency(ies); and

**WHEREAS**, pursuant to the Report and Order and Further Notice of Proposed Rulemaking issued by the Federal Communications Commission ("FCC") on November 18, 2011 (FCC 11-161), and as amended by the FCC on December 23, 2011 (FCC 11-189), the Parties desire to amend the Agreement to establish bill-and-keep as the compensation arrangement for IntraMTA Traffic exchanged between the Parties.

**NOW, THEREFORE**, in consideration of the promises and mutual agreements set forth herein, the Parties agree to amend the Agreement as follows:

1. The Amendment is composed of the foregoing recitals, the terms and conditions, contained within, and Exhibit A – Pricing Sheet, all of which are hereby incorporated within this Amendment by this reference and constitute a part of this Amendment.
2. **DEFINITIONS**
  - 2.1 "End User(s)" means a retail third party subscriber to Telecommunications Services provided by any of the Parties. As used herein, the term "End User(s)" does not include any of the Parties to the Agreement with respect to any item or service obtained under the Agreement.
  - 2.2 "IntraMTA Traffic" means traffic which, at the beginning of the call, originates and terminates within the same MTA and is exchanged between the End User of AT&T and the CMRS Provider's End User. All references to local Telecommunications, Local Telecommunications Traffic, Local Traffic, local traffic, Local Calls, Local Calls Traffic, Local Calls traffic, Local CMRS Calls, Local CMRS calls, Section 251(b)(5) Calls, Section 251(b)(5) Calls Traffic, Section 251(b)(5) Calls traffic and/or Section 251(b)(5) Traffic in the Agreement are hereby replaced by the term "IntraMTA Traffic".
  - 2.3 "Third Party Carrier" means a Telecommunications Carrier that is not a Party to this Agreement.
  - 2.4 "Transit Traffic" means traffic originating on CMRS Provider's network that is switched and/or transported by AT&T and delivered to a Third Party Carrier, or traffic originating on a Third Party Carrier's network that is switched and/or transported by and delivered to CMRS Provider's network. Transit Traffic is limited to Section 251(b)(5) traffic and CMRS-bound traffic within the same LATA that is routed utilizing an AT&T tandem switch where an AT&T End User is neither the originating nor the terminating party. AT&T neither

originates nor terminates Transit Traffic on its network, but acts only as an intermediary. Transit Traffic does not include traffic to or from IXCs.

3. Effective July 1, 2017 (in compliance with ¶8 of FCC Order 11-189), the Parties shall implement bill-and-keep for IntraMTA Traffic exchanged between the Parties over Type 2A, Type 2B or Type 1 interconnection trunks and facilities. Specifically, neither Party shall compensate the other Party for IntraMTA Traffic exchanged between the Parties.
4. This Amendment is not applicable to Transit Traffic.
5. The Parties agree that the terms and conditions of this Amendment shall apply only to IntraMTA Traffic, as defined herein. Further, the terms and conditions shall only apply to traffic originated by, or terminated to, a CMRS Provider's network; e.g., this Amendment specifically does not include traffic that only uses a CMRA Provider's FCC licensed CMRS services to relay the call from one wireline facility to another.
6. There shall be no retroactive application of any provision of this Amendment prior to the Effective Date of an adopting Carrier's agreement.
7. EXCEPT AS MODIFIED HEREIN, ALL OTHER TERMS AND CONDITIONS OF THE UNDERLYING AGREEMENT SHALL REMAIN UNCHANGED AND IN FULL FORCE AND EFFECT.
8. In entering into this Amendment, neither Party waives, and each Party expressly reserves, any rights, remedies or arguments it may have at law, or under the intervening law, or regulatory change provisions, in the underlying Agreement (including intervening law rights asserted by either Party via written notice predating this Amendment) with respect to any orders, decisions, legislation or proceedings and any remands thereof, which the Parties have not yet fully incorporated into this Agreement or which may be the subject of further review.
9. This Amendment shall not modify or extend the Effective Date or Term of the underlying Agreement, but rather, shall be coterminous with such Agreement.
10. For all States except Arkansas, Ohio, California, and Wisconsin: This Amendment shall be filed with and is subject to approval by the State Commission and shall become effective ten (10) days following approval by such Commission ("Amendment Effective Date"). For Arkansas: This Amendment shall be filed with the Arkansas Public Service Commission and shall become effective upon filing ("Amendment Effective Date"). For Ohio: Based on the Public Utilities Commission of Ohio Rules, the Amendment is effective upon filing and is deemed approved by operation of law on the 91<sup>st</sup> day after filing ("Amendment Effective Date"). For California: Pursuant to Resolution ALJ 181, this filing will become effective, absent rejection of the Advice Letter by the Commission, upon thirty days after the filing date of the Advice Letter to which this Amendment is appended ("Amendment Effective Date"). For Wisconsin: Pursuant to Wisconsin Statute § 196.40, this Amendment shall become effective ten (10) calendar days after the mailing date of the final order approving this Amendment ("Amendment Effective Date").
