I just got an email saying Gulf Power is increasing their rates. What are we old people supposed to do???? I live or should say try to live on \$800.00 a month, not a week, not every two weeks. My S.S. check is \$800 a MONTH. I can't afford a rate increase! I can't make ends meet now. I can't hardly live without electric, so please tell us how we are to manage. May not seem like much to you, but to those of us living on S.S. or a fixed income it is A LOT!

Live Well, Laugh Often and Love Much,  
Connie
