Commissioners:

Please accept the following two attachments below as a PROTEST against the current rate increase # 160101 that Utilities Inc., of Florida has filed.

Utilities Inc., of Florida, needs to accept that there is a cost of doing business, and that getting a guaranteed ROR, of 10% and to be able to claim the flushing that they are doing now in 2017, CAN NOT & SHOULD NEVER BE ALLOWED TO BE FACTORED INTO ANY OTHER FUTURE RATE INCREASES.

Thank You
