Denise: Thank you very much for your review and comments. We do need to make the changes you identified to Forms 1001 (delete item 5), 1005 (delete duplicate section), and 1007 (we inadvertently attached an outdated version of Form 1007 to the staff rec. so need to replace that with the current version that matches the draft rule) FYI - Rule 25-30.037(3) does require the map through reference to .036(2)(h) (Section .036(i) is also referenced).

Patti: If you have any questions, give me a call. Once you decide whether you do or do not want to address the Commission, let me know. Thank you.

Kathryn

Patti:  
These are some possible discrepancies between the recommendation write-up, the rule and the application. They may be intentional as staff believes they are included in another item. But I wanted to pass these on in case they need to be adjusted.

		<u>Recom</u>	<u>Rule</u>	<u>Appl</u>
033	Original	Page 10 references .033(1)(i), Page 11 references (1)(e) but neither section of the rule includes customer complaints	Page 47 of the rule does not include customer complaints (Rule 25-30.037(2)(r)(4) includes language)	Page 92 item 5 includes customer complaints
034	Orig-Exist	References Original Certificate Rule	No rule reference to customer complaints	Not included in application
37	Transfers			
(2)	Reg-Reg	N/A	N/A	Parts F and I appear to be the same? ((I) not included in others)
(3)	Ex-Reg	Page 25 discusses map needed	Rule does not appear to include these	Pages 138-139 includes D(5) and (6) for maps
(4)	TMOG	Page 28 references the requirements of 30.037(2)(j) Page 27 references requirements of 30.037(2)(k) and (q)	Page 79 requires (j), (k), and (q) of subsection (2)	It does not appear that (j) items 2, 3, 4, 5, 7, 8, and 9 are included in the application It also does not appear that (k) and (q) are in the application
				It also appears that the application (page 148) includes requirements of (2)(r) but these items are not required by the rule on Page 79
