**Docket No. 160238-WS**  
**B&C's and D&E's Responses to Staff's Letter dated 12/20/16**

**1. Seller Information. Rule 25-30.037(2)(c), Florida Administrative Code (F.A.C.), requires that the applicant provide a telephone number and, and if available, its email address and fax number. The applicant did not provide a telephone number, email address, or fax number. Please provide a telephone number as well as the buyer's email address and fax number, or state that the requested information is unavailable if applicable.**

Response: As indicated in B&C's and D&E's Application for Approval of Upstream Transfer of Majority Organizational Control dated November 15, 2016 ("Application"), B&C's and D&E's Application does not involve an asset purchase, and thus there is not a "seller" or a "buyer" in this transaction. Instead, the Application seeks Commission approval of an upstream change in majority organizational control of B&C and D&E resulting from a merger whereby Plum Creek Manufacturing Holding Company ("Plum Creek"), of which B&C and D&E are wholly owned subsidiaries, merged into Weyerhaeuser NR Company ("Weyerhaeuser") on December 31, 2016. To comply with your request, we have provided below telephone numbers, email addresses, and fax numbers for the applicants, B&C and D&E:

**B&C**

Telephone: 601-718-2604

Fax: 601-939-7805

Email: David.Thompson@weyerhaeuser.com

**D&E**

Telephone: 601-718-2604

Fax: 601-939-7805

Email: David.Thompson@weyerhaeuser.com

**2. Buyer Information. Rule 25-30.037(2)(d), F.A.C., requires that the applicant provide specified information relating to the buyer, including a telephone number and Federal Employer Identification Number (FEIN), and if available, its email address and fax number. The applicant did not provide a telephone number, the FEIN, email address, or fax number. Please provide a telephone number and FEIN. Please also provide the buyer's email address and fax number, or state that the requested information is unavailable if applicable.**

Response: Please see the response to No. 1 above. Weyerhaeuser's FEIN is 26-3481257.

**3. Florida Department of State, Division of Corporations Documentation. Rule 25-30.037(2)(f)L and 2, F.A.C., requires that the applicant provide the nature of the buyer's business organization, and documentation from the Florida Department of State, Division of Corporations, showing: (1) The utility's business name and registration/document number for the business, unless operating as a sole proprietor; and, (2) The utility's fictitious name and registration number for the fictitious name, if operating under a fictitious name. Please provide the required documentation from the Florida Department of State, Division of Corporations.**

Response: Pursuant to the Commission staff's request, attached as Composite Exhibit "A" are copies of the current annual reports that B&C and D&E have filed with the Florida Department of State, Division of Corporations, as well as copies of filings from June of 2016 that changed the registered agent information for B&C and D&E.

**4. Asset Purchase Agreement. Rule 25-30.037(2)(i), F.A.C., requires the applicant to file a copy of the contract for sale and all auxiliary or supplemental agreements. If the sale, assignment, or transfer occurs prior to Commission approval, the contract shall include a provision stating that the contract is contingent upon Commission approval. Please provide an executed, dated, copy of the contract.**

Response: As explained above, the Application does not involve an asset purchase. Instead the Application involves the upstream transfer of majority control resulting from a merger transaction whereby the parent of B&C and D&E was merged into Weyerhaeuser on December 31, 2016. Consequently, no "contract for sale" or "asset purchase agreement" exists. In B&C's and D&E's Application, we previously provided a copy of the proposed merger agreement documents between Weyerhaeuser and Plum Creek. To comply with your request, we have attached as Composite Exhibit "B" a copy of the final Plan and Agreement of Merger and related Merger Certificates ("Final Plan of Merger Documents").

**5. Purchase Price and Terms of Payment. Rule 25-30.037(2)02., F.A.C., requires the applicant to file documentation of the terms of the transfer that include the purchase price and terms of payment. Please provide the documentation containing this information.**

Response: The terms and conditions of the upstream merger transaction are provided in the Final Plan of Merger Documents, which are attached as Composite Exhibit "B" in response to Request No. 4.

**6. Assets and Liabilities. Rule 25-30.037(2)(j)3., F.A.C., requires the applicant to file a list of and the dollar amount of the assets purchased and liabilities assumed or not assumed, including those of non-regulated operations or entities. Please provide a list of the specific assets and liabilities including the dollar amounts allocated to each.**

Response: As indicated in B&C's and D&E's Application, the upstream merger transaction will not alter or affect the operations or the books and records of B&C and D&E. The Plan and Agreement of Merger included in Composite Exhibit "B" specifies that Weyerhaeuser, as the surviving corporation of the merger, shall possess all assets, and assume all debts and liabilities, of Plum Creek.

**7. Provisions of Transfer. Rule 25-30.037(2)(j)5., F.A.C., requires the applicant to file provisions for the disposition, where applicable, of customer deposits and interest thereon, guaranteed revenue contracts, developer agreements, customer advances, debt of the utility, and leases. Please provide a statement concerning the above-mentioned items.**

Response: As indicated in B&C's and D&E's Application, the upstream merger transaction will not change the ongoing operations of B&C and D&E and thus will have no effect on the disposition of customer deposits and interest thereon, guaranteed revenue contracts, developer agreements, customer advances, debt of B&C or D&E, and leases.

**8. Books and Records of the Seller. Rule 25-30.037(2)07., F.A.C., requires the applicant has or will obtain the books and records of the seller, including all supporting documentation for rate base additions since the last time rate base was established for the utility. Please provide a statement affirming the above-mentioned item.**

Response: The undersigned has been authorized to advise the Commission that Weyerhaeuser has obtained the books and records of B&C and D&E including all available supporting documentation for rate base additions since the last time rate base was established for B&C and D&E.

**9. Books and Records Maintenance. Rule 25-30.037(2)(j)8., F.A.C., requires the applicant to provide a statement that the utility's books and records will be maintained using the 1996 National Association of Regulatory Utilities Commissioners (NARUC) Uniform System of Accounts (USOA), incorporated by reference in Rule 25-30.115, F.A.C. Please provide a statement affirming proper format and presentation of the Utility's books and records.**

Response: The upstream merger transaction described in the Application will have no effect on the operations and recordkeeping practices of B&C and D&E. B&C and D&E will continue to maintain their books and records in accordance with the 1996 National Association of Regulatory Utilities Commissioners Uniform System of Accounts, incorporated by reference in Rule 25-30.115, F.A.C.

**10. Location of Books and Records. Rule 25-30.037(2)(j)9., F.A.C., requires the applicant to provide a statement that the utility's books and records will be maintained at the utility's office(s) within Florida, or that the utility will comply with the requirements of paragraphs 25-30.110(1)(b) and (c), F.A.C., regarding maintenance of utility records at another location or out-of-state. If the records will be maintained at the utility's office(s), the statement should include the location where the utility intends to maintain the books and records. Please provide a statement concerning the location of books and records and compliance with out-of-state standards, if applicable.**

Response: The books and records of B&C and D&E will be maintained and kept at the following physical location, which is within the State of Florida:

13005 SW 1st Road, Suite 241  
Newberry, FL 32669

**11. Tariffs. Rule 25-30.037(2)(u), Florida Administrative Code (F.A.C.) requires a copy of the tariff sheets reflecting any changes resulting from the transfer. Please provide the tariff sheets.**

Response: As indicated in in paragraph 8 of B&C's and D&E's Application, there are no changes to any tariff sheets as a result of the upstream merger transaction.

**12. Notice of Application and Legal Description. Section 367.045(1)(a), Florida Statutes, and Rule 25-30.030, F.A.C., require the utility to provide notice of its application for transfer. Rule 25-30.030(4)(b), F.A.C., requires that the notice contain the name, address, telephone number, and, if available, email address, and fax number of the applicant. Please amend the notices to include the telephone number of the applicant, and if available, an email address, and fax number.**

Response: In accordance with our response to No. 1 above, we have amended the Notice of Application and Legal Description pursuant to your request and have attached the amended Notices as Composite Exhibit "C" for your review.
