Subject: Docket number 160186 ..Testify how any increase in utilities above the rate of inflation significantly affects you.

My name is Billy Ohl and my wife and I live at 5529 Shadow Grove Blvd in Pensacola Florida 32526. We have lived here over 20 years and are both senior citizens living on a fixed retirement/SSA. Rate increases hurt us mostly because our retirement moneys is fixed and we have no way to earn any more funds and with our SSA only getting a cost of living of \$5.00 a month for 2017; the rate increase would cause us to either reduce other expenses/utility or medical expense. Please do not increase Gulf Power rates more than inflation CPI.

Thank you;

Billy and Cindy Ohl
