Subject: Utilities Inc is requesting an obscene rate increase. (ID:4A9FA9BF00398E77)

To whom it may concern:

Utilities Inc is requesting an obscene rate increase. As a taxpayer, I ask you to consider what other business can double (or more) prices in one request to the PSC? Answer: Only a monopoly can!! As taxpaying citizens, we have NO choice for our water/sewer service. If pricing is outrageous and/or service becomes intolerable, we have no choice but to pay the price or relocate. That is not a choice a taxpaying homeowner should be forced to make. I respectfully submit that the proposed Utilities Inc. increase should be rejected and a fair increase be implemented ratably over a reasonable time period, say 10 years.
