Subject: RE: Gulf power rate increase

Good morning Mr. Miles,

We will be placing your comments below in consumer correspondence in Docket No. 160186-EI and forwarding your comments to the Office of Consumer Assistance and Outreach.

Sincerely,

Collin D. Roehner
Commission Deputy Clerk I
Office of Commission Clerk
Florida Public Service Commission

Subject: Gulf power rate increase

The gulf power rate increase is not because of losses to the company, it is for profit. Living on a fixed income, this increase along with increases from everyone else can make it difficult to survive in the long run. The rate is already too high and should be decreased, not increased.

Thank You,
Gerald D. Miles
