Subject: Gulf Power Projected Increase Docket Number 160186

To Whom it May Concern:

My name is Elizabeth Ann Roeslein and I receive service from Gulf Power at 524 Regatta Bay Blvd, Destin, FL 32541. I want to **protest** the Gulf Power petition with the Public Service Commission in October for a \$106.8 million increase.

My husband and I are not receiving increases in our pay that would compensate paying more money per month for electricity. I read that the current fixed charge per month is \$18 and will increase to \$48 per month. Below is a comparison of rates with other fixed charges around Florida. Please note how the proposed \$48.09 compares:

- a. Duke Energy - \$8.76
- b. Florida Power & Light Co. - \$7.87
- c. JEA (Jacksonville) - \$5.50
- d. Tallahassee - \$7.41
- e. Gulf Power - \$48.09 (proposed)**

**Gulf Power wants to increase its profit from 10.5% to 11% - the current national average is around 9%.
I protest the petition!!!**
