**RE:** Docket No. 170032-TA-Petition for expedited review of growth code denial by Number Pooling Administrator for the Orange Park exchange, by Teleport Communications America, LLC.

---

On January 25, 2017, Teleport Communications America, LLC-FL ("TCAL") filed a request for additional numbering resources from the Number Pooling Administrator (NeuStar) for the Orange Park exchange, JCVLFLCL32Z switch. TCAL requested 5000 consecutive numbers of NPA-NXX-XXXX. On January 25, 2017, TCAL's request for additional numbering resources was denied because it did not meet the utilization criteria.

On Friday, February 03, 2017, TCAL filed a petition requesting that the Commission overturn NeuStar's decision. In accordance with Section 2.07C.5.e. of the Administrative Procedures Manual (APM), staff has examined the TCAL's petition and has determined the following:

- 1) The carrier has demonstrated that it has customers in need of numbering resources;
- 2) The carrier has shown that it will be unable to provide services to these potential customers because of NeuStar's denial of the numbering resources; and
- 3) Customers will not be able to obtain service from the provider of his/her choice because the carrier does not have the numbers available.

Since the three criteria of Section 2.07C.5.e. of the APM have been met, please prepare an administrative Proposed Agency Action Order to be issued within seven business days of this memorandum (February 22, 2017), as outlined in the APM expedited code denial process. NeuStar should be directed to provide TCAL the needed numbering resources to meet its customer's needs in the Orange Park exchange, JCVLFLCL32Z switch. Please allow staff assigned to the docket to review the Order before it is issued. If you have any questions, please call Eric Wooten at (850) 413-6546.
