COMPLAINT INFORMATION

Complaint: Other Complaint against Gulf Power Company

Details:

How can you approve the raising of electric service. I am 76 years old and so many of us on Social Security have not gotten an increase in income . We are struggling to keep up. I've cut back so much on my usage, I hang my clothes outside , wear extra clothes in winter. I've had the Gulf power usage inspection and done everything to keep cost down. Please ,please do not raise the rates. With the actions going on in D.C. I fear for my future.
