Subject: Utilities of Florida, Inc.

Dear Ms. Deamer:

I have reviewed the information you prepared for Utilities Inc., of Florida; however, the information provided has not addressed the specific requests that I made to Chairman Brown.

I need the following information,

1. The net book value of assets for each system in Pasco County at the time of acquisition by Utilities, Inc. of Florida and its subsidiaries,
2. I need each investment by UI/UI subsidiaries in systems located in Pasco County each year after acquisition identified. Specifically,
 - (a) the assets acquired or constructed,
 - (b) the cost of each asset, and
 - (c) the reason for such investment
3. I need the net book value of assets for each system in Pasco County identified for each year after the original net book value, per the response to No. 1, above.

I would appreciate if you would address each of the above requests and provide it to me along with the supporting documentation at your earliest opportunity.

Thank you for your time and attention to this matter.

Respectfully,

Jack Mariano
Pasco County Commissioner
District 5
