Subject: Notice of prehearing conference

I received a notice from Utilities, Inc. notifying me of a hearing (docket no. 160101-WS). It appears that the notice was missing a page and since my mail is forwarded to me I received it the day after the hearing. Notices should be sent out complete and in a timely manner allowing ample time for mail to reach everyone. The forwarding date on my envelope was April 14, 2017 and the hearing was scheduled for April 20, 2017. People should be given more notice than a few days.
