Docket No. 170014-EI – Petition for approval of ENERGY STAR program for new multi-family residences, by Tampa Electric Company.

Issue 1: Should the Commission approve TECO’s petition for approval of its ENERGY STAR Program for New Multi-Family Residences?

Recommendation: Yes. The Multi-Family Program advances the policy objectives of FEECA, is directly monitorable and yields measurable results, and is cost-effective. The Program Participation Standards were submitted concurrently with the program description. Staff has reviewed these standards and believes that they are sufficient. Therefore, staff recommends that costs associated with the Multi-Family Program are eligible for cost recovery through TECO’s Energy Conservation Cost Recovery factor.
