Re: Docket No. 160176-WS, Four Lakes Golf Club, Ltd.

Gentlepersons:

If you know one resident of Four Lakes who can explain what your June 13 letter means, I'd like to shake his hand and give him a medal.

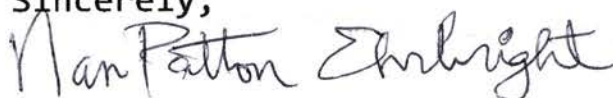

I can't make heads or tails of it. What, pray tell, is a 4-year rate reduction?

As best I can tell, the developer wants a rate increase, and the PSC has been asked to evaluate the situation and make recommendations. But there's no way to figure out just what the increases might be.

I assume you're aware that Four Lakes is an over-55 community. Many residents are in their 70s and 80s and don't drive at night. So why are you having this meeting outside the community?

And why can't your make your letter easy to understand?!

Sincerely,

Nan Patton Ehrbright
