**Re: Docket No. 170082-TP
AT&T Florida's Response to Staff's Second Data Requests No. 5
(CONFIDENTIAL)**

Dear Ms. Stauffer:

BellSouth Telecommunications LLC d/b/a AT&T Florida, pursuant to Section 364.183(3), Florida Statutes, and Rule 25-22.006(5), Florida Administrative Code, hereby makes a claim of confidentiality for certain of the information contained in the enclosed AT&T Florida Response to Florida Public Service Commission Staff's 2nd Data Request, Item No. 5. The information in Response to Item No. 5 contains customer proprietary network information and proprietary confidential business information that should be held exempt from public disclosure. As required by Rule 25-22.006(5), enclosed are the confidential and two redacted copies of the Response to Item No. 5. If you have any questions, please do not hesitate to call me at (404) 927-5291.

Sincerely,

Tracy Hatch

Confidential Response to Staff's 2nd Data Request No. 5

5. In order to determine if the CETCs designated in AT&T Florida's current ETC service area are providing lifeline service to end users as required by their ETC certification, the Staff has performed spot checks throughout the state. In order to help the Staff determine if CETCs are meeting their ETC obligations in specific areas in the state of Florida, can AT&T provide Lifeline customer addresses in the following wirecenters:

Century (FMTNALMT)
Graceville (GCVLFLMA)
Pahokee (PAHKFLMA)
Trenton (TRENFLMA)
Vernon (VERNFLMA)
Yankeetown (YNTWFLMA)

Response: The list of addresses for the designated wirecenters is being filed separately as a confidential document since the identification of and the addresses of customers that receive the Lifeline discount from AT&T is customer proprietary network information.

The attached spreadsheet contains the addresses for subscribers receiving the Lifeline discount from AT&T in the above listed wirecenters as of December 2016. Each of the addresses is in a wire center where seven to eight other providers have been designated as ETCs. AT&T has undertaken the additional step of conducting its own investigation into whether the designated ETCs for each of these wirecenters offer service with a Lifeline discount to the listed addresses. Based on AT&T's best efforts, the investigation shows that each address can obtain service with a Lifeline discount from four to seven other ETCs. For the investigation, AT&T reviewed information on each ETC's website regarding the availability of service and the Lifeline discount and based on the zip code containing the address, or, if the ETC's website accepted inquiries for individual addresses, to confirm whether service with a Lifeline is available at the specific address. For the other ETCs, AT&T placed calls to each ETC's customer service representatives to confirm the availability of service with a Lifeline discount. The chart shows the manner in which the contact was made, and the results of AT&T's investigation for each address and each ETC.
