Subject: Utilities, Inc. Florida Docket No. 20160101 rate increase request

Public Service Commission,

We (my husband and I) strongly oppose Utilities, Inc. Florida Docket No. 20160101 rate increase request. Seminole County residents should not be forced to bear an unreasonable rate increase as recommended by Utilities, Inc in Florida Docket No. 20160101.

We are retired seniors, living on a fixed income and should the consolidated rate increase recommended by your staff be approved, Seminole County residents will have the burden of paying \$3,858,438 million of the \$5,512,904 rate increase. Many of us can not afford this increase.

Please review and rescind your staff's recommendation to accept about 80% of the rate increase (\$5.5 million of the \$6.9 million). Under your staff's recommendation, out of the 16 systems in Utilities, Inc. portfolio, Seminole County's 3 systems would be paying 70% of the increase.

This is not acceptable to the citizens in Seminole County. We would be subsidizing the other systems in the State. We feel that this is not compliance with the State statute that requires a rate must be reasonable and not unfairly discriminatory.

Your action is required to stop this unreasonable rate increase for water services in Seminole County.

Sincerely,

Rodger & Judith Creveling
