Subject: Utilities Inc. Florida Docket 20160101 rate increase request

As a senior citizen having resided in Seminole County for the majority of my life, I have never before seen a more unjust and unreasonable utility rate hike! The consolidated rate increase puts an onerous and unfair burden on the taxpayers of Seminole County to subsidize the utilities for other parts of the state. This, I believe to be not complying with state statutes and will, no doubt, result in unnecessary legal battles! Please reconsider this unreasonable rate increase by Utilities Inc.
