Re: Docket No. 20170001-EI

Dear Ms. Stauffer:

Order No. PSC 2008-0667-PAA-EI requires the filing of monthly hedging data in two reports: a Hedging Activity True-Up Report filed in April that covers August 1 to December 31 of the prior year, and a Hedging Activity Supplemental Report covering the months of the current year through July 31. Accordingly, FPL submits its Hedging Activity Supplemental Report, which is identified as Exhibit GJY-4, to provide the required information on its fuel hedging activities for the period January through July 2017. The Hedging Activity Report is in redacted form and is the subject of a separately filed, hand-delivered Request for Confidential Classification.

If there are any questions regarding this transmittal, please contact me at (561) 304-5795.

Sincerely,

s/ Maria J. Moncada
