

Review of Electric Utility Hurricane Preparedness and Restoration Actions

Docket No : 20170215-EU

Name : Julio Duran

Electric Utility Provider : Lake worth utilities

Zip Code : 33461

Category : Power restoration time

Comments : I think it's a joke that power was out 5 days & so was our water. We have a toddler... Well water shouldn't be allowed cause power is constantly going out here in Lake Worth which means water also always goes out... every hurricane Lake Worth loses power longer than anybody else in town.. Need better system..
